**What if *Adventures by Disney* cancels the adventure prior to departure?**

We will make every reasonable effort to operate the vacations as advertised; however, we reserve the right to curtail or modify the itinerary, or to substitute activities, hotels, meals or transportation as we deem necessary. We further reserve the right to reduce the number of Adventure Guides to one, and to modify other services to accommodate a smaller group, if a minimum number of Guests is not reached. Similarly, we may marginally exceed the stated group maximum size if necessary to accommodate a family. Please also note that during certain holidays and peak periods, some activities may be disrupted or unavailable. None of these modifications or changes shall affect the land package price. We reserve the right to cancel a trip at any time prior to its commencement for any reason, such as if there are too few Guests, or if the quality of the trip or the safety of the Guests would, in our opinion, be compromised, such as may result from unforeseen circumstances (acts of God) or other circumstances beyond our reasonable control. If we cancel your trip prior to its commencement because there are too few Guests: (i) we will attempt to re-book you on another departure of the same itinerary, subject to availability, and we will bear any reasonable airline re-booking charges; however, if we are unable to rebook you, we will issue a full refund of your land package price and Plan (unless you have filed a claim); and (ii) if you booked airfare through us, we will issue a full refund of your airfare; and (iii) if you did not book airfare through us, we will reimburse you for your reasonable out-of-pocket (subject to proof) airline cancellation charges or, in the case of bookings using frequent flier miles, a reasonable cancellation service fee, provided you have exercised best efforts to mitigate such charges/fees; and (iv) the aforesaid payments and/or rebooking by us shall constitute a full settlement.

Please note that electricity is not available at the glamping site. Battery-operated lanterns are provided inside each tent and pathways throughout the ground are lit. A charging station with a very limited supply of outlets may be available for emergencies only.

Please note that Yellowstone Under Canvas is in safari-style tents located on the doorstep to Yellowstone National Park's west entrance. All tents include adjacent private bathrooms with hot water, pull-chain showers, ceramic sinks and flushing toilets. Additionally, enjoy the outdoor pool and Jacuzzi also located at Bar N Ranch at your leisure.

All meals will take place at Yellowstone Under Canvas' sister-property, Bar N Ranch, which is a 0.2 mile (322 m) walk from the glampsite. Absolutely no food is allowed on the glampsite so as not to attract bears. Guests with medication that require refrigeration need to leave their medication at the Bar N Ranch. Your Adventure Guide will be happy to assist you. To ensure the safety of all Guests, a staff member from Yellowstone Under Canvas will be on site at all times.

To ensure that all Guests enjoy the peaceful environment under the stars, quiet time begins at 10:00 PM.
